Biggest secret: \_\_\_\_\_

\_\_\_\_\_

Think about your character. How would they behave if they:

- smelled their favourite food coming from a locked room?
- saw a baby crawling towards a busy road of traffic?
- noticed an animal following them home one day?
- ran into a sworn enemy in the supermarket?

**REMEMBER:** You don't need to include all this information in a story. But the more you know about your character, the better you'll be able to write about them.
